Chada Massagen

Traditional Thai & Wellness Massage

Traditional Thai Massage is a unique ancient tradition of body therapy and is as many as 2500 years old already.

Still today it is an integral part of Thai culture and traditional medicine and people of all ages can benefit from it.

As pleasantly relaxing combination of acupuncture, yoga, reflexology and gentle stretching, all massage applications stimulate the body's own healing and regeneration energy and harmonize the body's energy flux.

Enjoy the time of stress relaxation and feeling good.
